

POSTED: June 5th, 2018

TOPIC: Part-Time Wastewater Treatment Operator Level 1

The City of Vader, Washington is hiring for the ongoing operations and maintenance of it's Wastewater Treatment Facility. The facility is a 3 cell lagoon, activated sludge treatment system that provides service to most of Vader's 640 residents. It is anticipated that the job will take approximately 15 hours per week which includes all aspects required to meet NPDES permit testing requirements 5 days per week. Additional information, a complete job description and employment application is available online at www.vaderwa.org or by email at vadercity@centurylink.net or by contacting Jill Nielson at 360-295-3222.

Applications and resumes may be sent via the email address listed above or mailed/delivered to: City of Vader, Attn: WWT O&M, PO Box 189, Vader, WA 98593. (An employment application is required, resumes are optional.) The selection process may include one or more interviews in person or by telephone and is subject to City Council approval.
